

Data Encryption user steps process

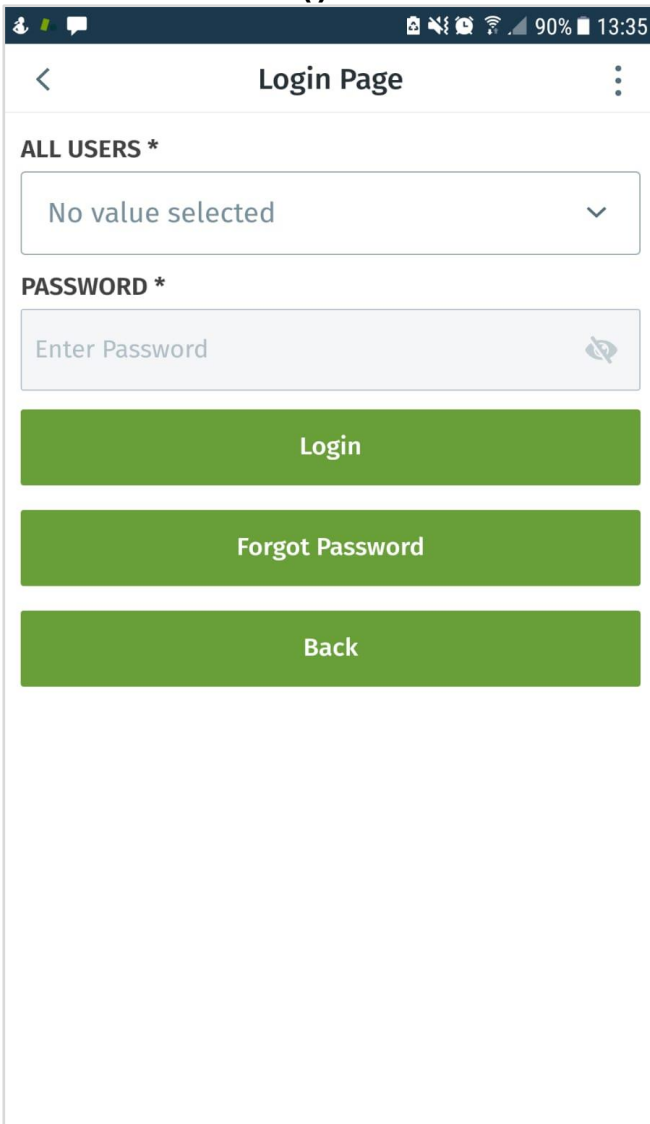

As an eLABS RSA Service Provider (User), here are the following steps that you will need to follow once your Service Point (Facility) has Data Encryption activated:

Step 1: Once you are enrolled onto your facility tap on “**Next**”

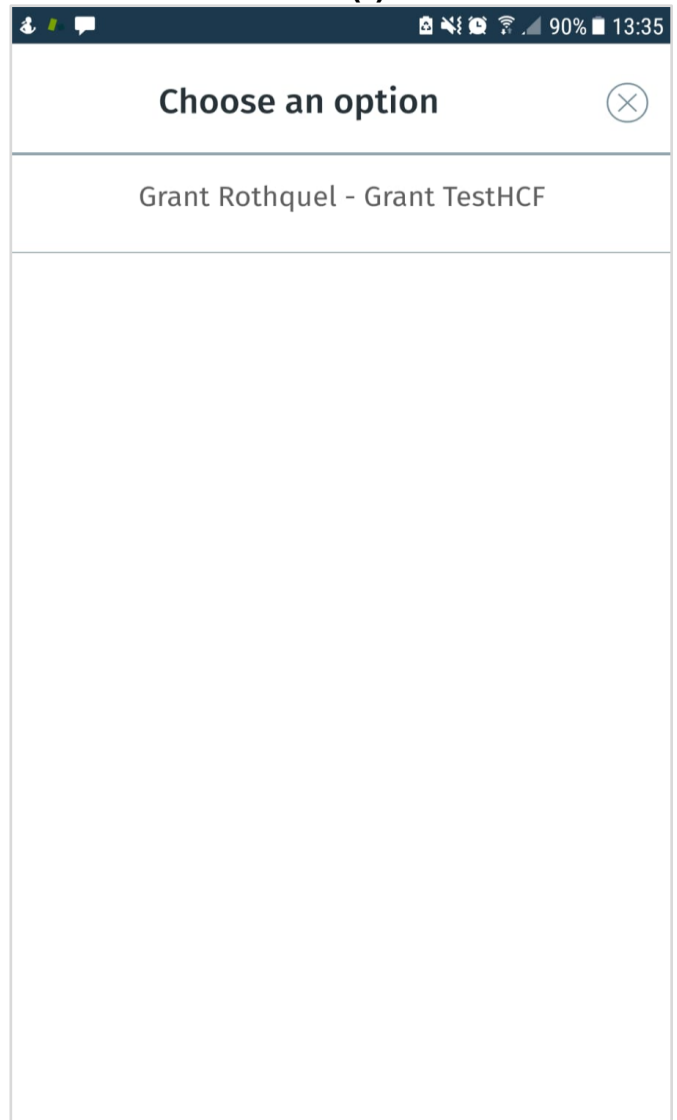

Step 2: **(i)** On the Login Page, tap on the drop down box and **(ii)** select your username.

(i)

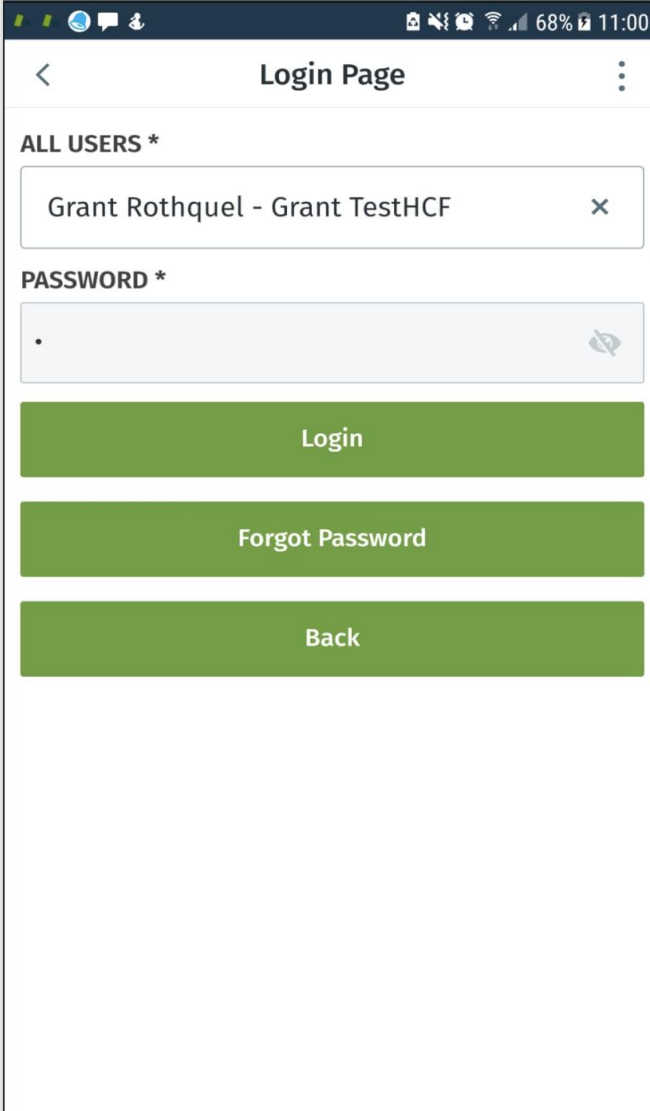

The screenshot shows the 'Login Page' of the eLABS application. At the top, there is a navigation bar with a back arrow, the title 'Login Page', and a menu icon. Below the navigation bar, there are three sections: 'ALL USERS *' with a dropdown menu showing 'No value selected', 'PASSWORD *' with a text input field containing 'Enter Password' and a visibility toggle icon, and three green buttons labeled 'Login', 'Forgot Password', and 'Back'.

(ii)

The screenshot shows a 'Choose an option' dialog box. The dialog has a title bar with the text 'Choose an option' and a close button (an 'X' in a circle). Below the title bar, there is a single option listed: 'Grant Rothquel - Grant TestHCF'. The dialog is otherwise empty.

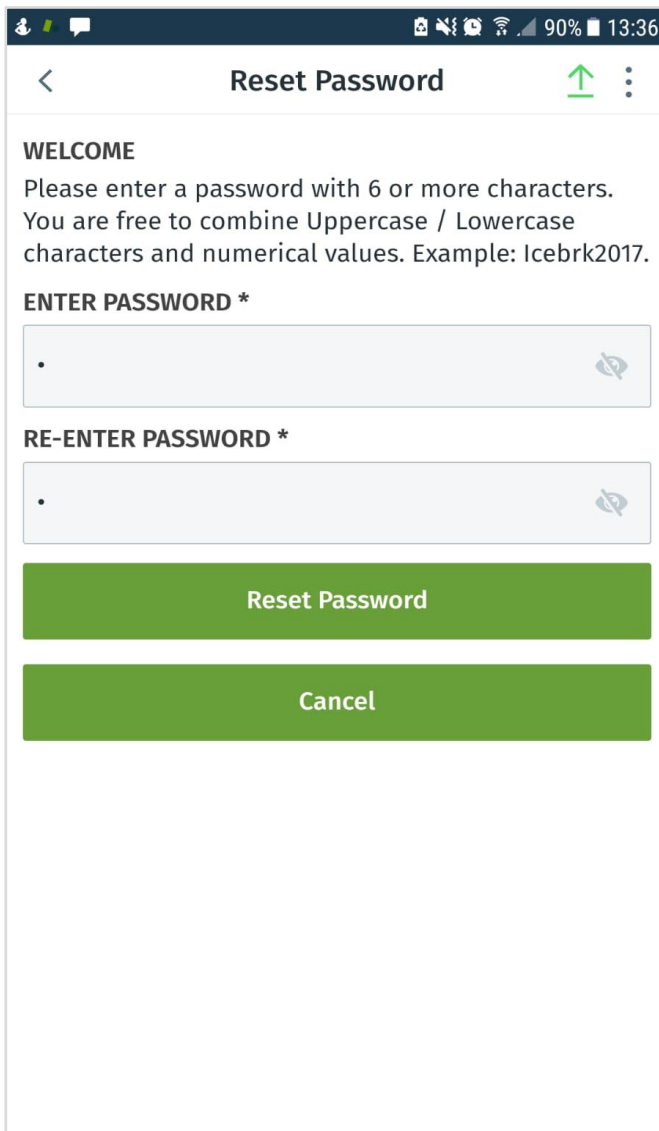

Step 3: When you select your username, enter your password click on “Login”

The screenshot shows a mobile application interface for a login page. At the top, there is a status bar with various icons and a battery level of 68% at 11:00. Below the status bar is a header with a back arrow, the text "Login Page", and a menu icon. The main content area is divided into sections. The first section is labeled "ALL USERS *" and contains a search bar with the text "Grant Rothquel - Grant TestHCF" and a close button (X). The second section is labeled "PASSWORD *" and contains a password input field with a single dot and a visibility toggle icon. Below the password field are three green buttons: "Login", "Forgot Password", and "Back".

- Step 4: (i) Upon tapping on “**Login**”, you will be prompted to reset your password once you completed the required fields, tap on “**Reset Password**”.
- (ii) Once you tap on ‘Reset password’, it will ask you “**Are you sure you want to reset**”. Tap “**OK**”

(i)

Reset Password

WELCOME
Please enter a password with 6 or more characters.
You are free to combine Uppercase / Lowercase
characters and numerical values. Example: Icebrk2017.

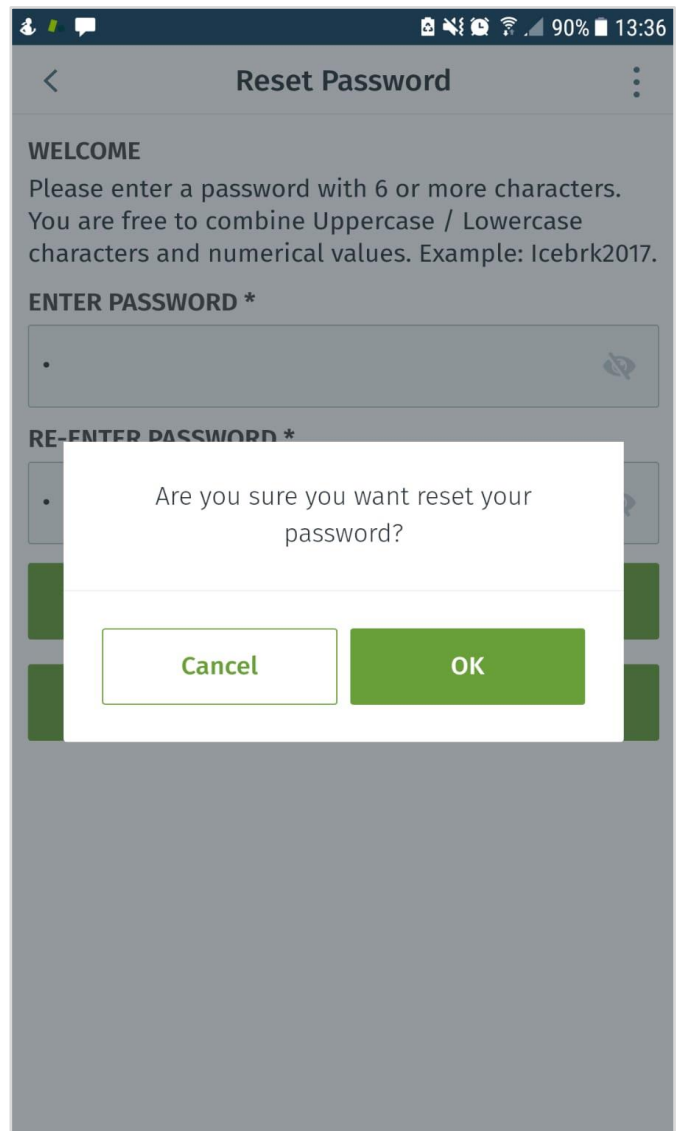

ENTER PASSWORD *

RE-ENTER PASSWORD *

Are you sure you want reset your
password?

Cancel OK

Step 5: You will then be prompted to enter your password at the login screen again, once you login with the password you chose, you will be to login onto the main menu.

The screenshot shows the 'Login Page' of the eLABS application. At the top, there is a back arrow and the title 'Login Page'. Below the title, there is a section labeled 'ALL USERS *' with a text input field containing 'Grant Rothquel - Grant TestHCF' and a close button (X). Underneath is a 'PASSWORD *' section with a password input field showing a single dot and a visibility toggle icon. At the bottom, there are three green buttons: 'Login', 'Forgot Password', and 'Back'. The status bar at the top shows 68% battery and 11:00.

The screenshot shows the 'Welcome to eLABS' main menu. At the top, there is a back arrow, the title 'Welcome to eLABS', and a checkmark icon. Below the title, there is a section labeled 'HealthCareFacility: Grant TestHCF'. The main menu consists of several green buttons with icons and text: 'Log Requisition' (Total for Today = 0), 'Results' (Available = 0), 'Notifications' (0), 'Sample Management', 'Sample Status', 'View Profile', and 'Logout' (Close the application). The status bar at the top shows 74% battery and 14:13.
