TERMS AND CONDITIONS:

1. Only the Corporate can submit a request to block ***and/or*** unblock MSISDN's.
2. The performance of the Service is **NOT** guaranteed.
3. Once a MSISDN has been blocked, the end-user will not be able to access any WASP subscription services including but not limited to emergency services, traffic information, alerts, competitions and surveys, and will therefore be prevented from incurring any subscription fees in regard to such WASP subscription service. However if an end-user attempts to access a WASP subscription service he/she will still be charged the bearer fees incurred in respect of such attempt.
4. The Service will only block access to WASP subscription services and/or any other WASP services charged via Vodacom's RAB platform, but is not effective against WASP services charged via premium rated SMS/MMS or any other billing mechanism.
5. Vodacom will endeavour to implement the blocking and/or unblocking of MSISDN's within five (5) working days from the date of submission of this application.
6. Should there be more than one (1) MSISDN that you wish to block or unblock, please complete the attached spreadsheet and complete the required details.
7. It is the sole and absolute responsibility of the Corporate to notify the end-users that WASP subscription services have been blocked.
